

American Society of Spine Radiology Call for 2010-2011 Committee Service

Would you like to get more involved in the ASSR? Are you looking to connect with and help other members? Do you have valuable skills and perspectives that could benefit the Society? If your answer is “yes” to any of these questions, consider volunteering to serve on a 2010-2011 ASSR Standing and/or Ad Hoc committee.

Corporate Support Committee

The Corporate Support Committee will solicit financial support for the ASSR 2011 Annual Symposium. In doing so, the Committee will foster existing professional relationships with organizations/corporations that have supported previous ASSR Symposia, and will seek out new potential supporters. The Committee will work closely with the ASSR Program Committee in accomplishing these goals and with the Ad-Hoc Mentor Committee to solicit financial support for the 2011 Mentor Program.

Membership Committee

The Membership Committee will review applications for membership from applicants who are not members of ASNR or of any ASNR-managed specialty/regional society to assure that they fulfill the requirements for membership in the appropriate membership category.

Program Committee

The Program Committee will plan and coordinate the scientific program for the ASSR 2011 Annual Symposium and the spine radiology-portion of the ASNR 49th Annual Meeting.

Rules Committee

The Rules Committee shall interpret the ASSR Bylaws, and upon request from the Executive Committee, shall prepare and submit amendments to the Bylaws as specified in Article XIII of the ASSR Bylaws.

Ad-Hoc Awards Committee

The Ad-Hoc Awards Committee shall select the best paper and scientific exhibit (poster) presentations at the ASSR 2011 Annual Symposium and the Best Spine Radiology Paper presented at the ASNR 48th Annual Meeting.

Ad-Hoc Clinical Practice Committee

The Clinical Practice Committee, with the approval of the Executive Committee, shall be responsible for addressing issues that impact clinical practice largely via governmental agencies and legislative vehicles and in conjunction with related societies that also address these issues. This committee will work in conjunction with the ASSR Clinical Practice Committee.

Ad- Hoc Education Committee

The Ad-Hoc Education Committee shall plan and propose for consideration by the Executive Committee projects to further the educational mission of the Society. The Committee shall help to implement these educational projects given further approval and funding by the Executive Committee.

Ad- Hoc Informatics Committee

The Ad-Hoc Informatics Committee shall create, monitor, and update the content of the ASSR website (www.TheASSR.org) and continually facilitates promotion of the Society and enhancement of its image. The Committee shall develop announcements and enforce policies regarding formatting of speaker presentations and online submission of such presentation materials.

Ad- Hoc Mentor Committee

The Ad-Hoc Mentor Committee shall foster student, resident, fellow, or junior faculty participation on spine-related research projects; shall seek to improve the quality and quantity of spine-related research projects/topics, and on spine-related research topics at national meetings and peer-reviewed journals. The Committee shall oversee the 2011 Mentor Award Program. The Committee shall work closely with the Program Committee to promote spine research within the Society.

Ad- Hoc Research Committee

The Ad-Hoc Research Committee shall foster research in spine imaging and intervention and shall oversee researchers and research activities funded by or through the Society.
